4.33	1	14.00	5.36	25.00
4.33	5	9.33	6.96	65.00
4.33	1	5.33	6.56	35.00

Notes	
n/a	not applicable
Member (of the club)	Membership fees in Metro Seattle Gamers are assessments to those members of Dragonflight who choose to use the club. For monthly and longer membership terms, the \$10.00 annual Dragonflight membership fee is transferred to Dragonflight once per year.
Automatic Renewal	Memberships are automatically renewed, effective the 1st day of the 1st month of the new membership term (monthly, quarterly, semiannual, annual). Before this renewal date an invoice for the new term will be issued. A membership may be suspended by notifying the club from within our membership web management system, by contacting the club's General Manager or Secretary by email or the club's personal messaging system, or by sending a postmarked letter to the club. A member who sends notification to the club of suspension of the membership no later than the 1st day of a month will not have that month and later months charged against the membership account. When calculating the remaining balance in a suspended membership term, previous months passed in the to-be-suspended membership term will be re-charged to the date of suspension, using the prices of the next shorter terms of membership that were in effect at the time the membership term was purchased; the difference between this re-charge and the funds paid for the current membership term will be the refundable credit issued for the suspension. See the club's Credit and Refund policy for further details.
Guests	These are individuals who are guests of members (Single Session Guest Passes, Guest slots in Group Memberships). Guests of members may be present at the club when accompanied by the sponsoring member, or by prior arrangements with the explicit direct consent of the General Manager. As are membership applications, Guest admissions may be subject to the approval of the General Manager.
Library	Members may use the Library as a convenience to store their boxed games. Games so stored must be checked into the system by the General Manager or the Facilities Manager. Limited space is available for storing minatures and terrain but the member is required to provide a standardized portable storage receptacle.
Live Game Storage	This is the club's term for storing games in progress between sessions. Our live game storage system allows games to be removed from the playing tables while preserving positions. This feature is currently available for board and card games only. However by arrangement minatures games can be left up over one or more consecutive nights.
¹	Privilege is held by Group Host only. Group accounts consist of a single Group Host, who once a month can assign the other Group slots and is who responsible for the bill. The remaining slots of the Group account are occupied by Group members or Guests. In Group accounts Votes, Key, Scheduling, Library, Live Game Storage, and Dragonflight membership privileges are held by the Group Host member only. If identified on the Group account by name and contact information, other individuals occupying slots in a Group account are Group members who have regular access to the club at all times that it is open by members with key privileges or officers. If a Group slot is not assigned the slot is treated as a Guest slot that only may be used by guests of the Group Host with no more at the club at any one time than there are Guest slots available in the account.
²	Single Session Guest Passes are included in some club memberships and additional ones may be purchased by members of the club who are billed for monthly or longer terms. Each Single Session Guest Pass provides a member's guest with a one day pass to the club. Included Single Session Guest Passes recycle each month.
³	Scheduling is generally by directly billed members of the club. Associate and Trial members may only schedule sessions at times when the club will otherwise be opened by members or officers with Key privileges.
⁴	Average costs will be even less with quarterly or longer membership terms.
⁵	Rates employ calendar months. Quarterly, semiannual, and annual membership terms are timed to coincide with the calendar year (also Dragonflight's fiscal and membership year).
⁶	All charged rates include 10.1% sales tax and 5% city admission tax. Monthly and longer membership dues are due by the 1st day of the month of the new membership term.
